

WHEN CONCERNS ARISE ABOUT A CHILD AT RISK

Please remember that if you have serious concerns about a child or adult at risk, you should contact the police or the local authority safeguarding teams in your area. You do not need to wait to speak to parish or diocesan safeguarding officers if the matter is urgent. They are always keen to support you in your contact with statutory agencies, but you should not delay if they are unavailable.

Contact details for Local Authority Teams are on the Safeguarding section of the Diocesan Website
