for Election of Officers. Committee. Tea party.

How beautiful our Church looked at the recent Harvest Flower Festival, and many thanks to our Mothers' Union members who worked so hard it and helping to raise £123 for the New Hall Fund. Our thanks too to Mrs. Winstup and her helpers for providing such a really good cup of tea.

It was also very pleasing to some of us to hear Stanford sung at Evening, as this setting was sung many times by the then Church Choir under the late Mr. G. Lewis.

On the 18<sup>th</sup> September the Young Wives visited the Jubilee Hall at Market Rasen for the final of the Archdeaconry Quiz. The finalists were St. Lawrence's, Frodingham and Market Rasen, the latter being the winners by one point. The same margin by which they defeated our own team in the semi-final.
